The Mike Walker Invitational

MIKE WALKER (1936 - 2014)

Mike Walker, former Head Coach at Southampton Gymnastics Club and British National Coach in Acrobatic Gymnastics, passed away on December 30, 2014, at the age of 78 years, after a long illness.

Mike, along with his wife Pat, began coaching as a parent volunteer in the seventies, leading to a career that spanned over three decades as a coach with a great passion for the development of Acrobatic Gymnastics at Club, Regional, National and International level. The fundamental spirit that underpinned Mike's work within the sport was one of inclusion and friendliness combined with a desire to share knowledge which he so freely imparted to so many developing clubs across the country.

Mike led Southampton Gymnastics Club in cementing Acrobatic Gymnastics as a discipline within the country, with gymnasts from the club achieving many firsts within the sport with World, European and International medals at a time when this was a rarity within British Gymnastics. This resulted in Mike's appointment as British National Coach for Acrobatic Gymnastics, where the success of Great Britain continued and participation in the discipline across the country grew. Indeed it is true to say that Mike was amongst those who created the sound building blocks for the incredible success that Acrobatic Gymnastics has achieved in Great Britain.

Southampton Gymnastics Club aim to deliver a great competitive opportunity for clubs to take part in a fun and friendly competition, whilst keeping Mike's memory in the sport.
